   Keep a record for your own agency’s safeguarding recording procedure.

   **Have you discussed the child’s needs with your agency safeguarding lead or your line manager?**
   - **N**

   Discuss the child with your agency safeguarding lead or line manager if available and follow their advice when providing support to the family.

   **Have you carried out an Early Help Plan with the child and their family?**
   - **N**

   Speak to the parents and child about your worries and discuss with them how your agency can help and support the children and family. You could carry out an Early Help Assessment or seek Early Help support. Follow the Early help guidance on the DBC website to support you in the process.

   Where you have carried out an Early Help Assessment and Plan which has been reviewed and amended as required – and the child’s needs are not being met or in fact have increased, gather the information requested in this form and then contact CIAT.
