# Darlington Safeguarding Partnership

Protecting Children and Adults

**VIRTUAL TRAINING PROGRAMME**

**AUGUST – OCTOBER 2020**

[JB1]

As you may be aware, we have been closely monitoring the developments relating to COVID-19, noting updates and advice given by the UK Government, and other UK public bodies as to how we may safely carry out Safeguarding Training during these unprecedented times. Darlington Safeguarding Partnership would like to thank you for your patience during this time.

*This Virtual Training Programme supersedes our standard Training Programme 2020 until further notice and will be updated as and when necessary.*

Until we are able to carry out face-to-face training sessions in a safe manner again within the venues we use for our Safeguarding Training, we have evaluated our training programme, utilising Virtual Teams Meetings until the end of October 2020, when we will reassess again and may be in a position to increase the training offerings and subject matter.

These virtual meetings are condensed to a maximum of 2 hours, whilst covering all the training material of a full face-to-face training session, and certification is still provided on completion of training. Numbers for virtual training are limited, so it is important to advise us if you are unable to attend, to allow the placement to be offered to others.

Whilst we understand not everyone has the ability or facilities to attend Virtual Teams meetings, there are still some eLearning packages which can be accessed via our website; <https://darlington-safeguarding-partnership.co.uk/training/elearning/>

We are grateful for your patience, understanding and support whilst our standard Safeguarding Training Programme is somewhat reduced. The safety and wellbeing of our staff and delegates is our primary concern, and we strive to progress to some normality as soon as we possibly can.

The Darlington Safeguarding Partnership's website will be kept up to date with any new information; <https://darlington-safeguarding-partnership.co.uk/>

# Multi-agency Training Charging Policy

## Introduction

The Safeguarding Partnerships<sup>1</sup> in Darlington aspire to have excellent safeguarding practice across all professionals (employed or voluntary) who work with children, young people, adults at risk and their families.

To provide the breadth of safeguarding training that is necessary which is informed through the annual training needs analysis, delegate feedback and through the findings of the training annual report, we do have to apply some charges.

***Please ensure that you are aware of our attendance and cancellation charges below prior to booking on our courses.***

## Booking on a course and allocation of places

Prior to booking on a Darlington Safeguarding Partnership's course, all employees and volunteers must ensure they have sought approval from their Line Manager.

Places are allocated on first come, first serve basis. However, there may be occasions when we have to limited agency attendance to ensure full multi-agency engagement. This is to ensure a diverse group of individuals/professionals attend and participate in each course.

Formal confirmation is sent (where possible via email) within 3 working days and joining instructions/course overviews are sent 7-14 days prior to the course date. If you book this course for a colleague/team member, please ensure you pass on the dates and joining instructions/course overviews to the named delegate ahead of the training date.

(Delegates are advised to make a note of the date of the course they have applied for in their calendar/diaries as soon as they receive confirmation, to ensure they are available to attend the course).

To book a place please contact [DSP.Training@darlington.gov.uk](mailto:DSP.Training@darlington.gov.uk)
